Websense Completes Acquisition of SurfControl (LSE: SRF.L - news) - Establishes Industry Standard
for Intelligent Content Protection

Company Pledges Support to SurfControl Customers and Channel Partners

Websense (NASDAQ: WBSN - news) , Inc. (NASDAQ (NASDAQ: news) :WBSN) today closed its acquisition of SurfControl plc,
as

the scheme of arrangement relating to the recommended offer for SurfControl plc,
at a price of 700 pence per share, has now become effective. The final purchase
price is approximately #204 million, including deferred compensation and stock
option expense. The acquisition represents a major milestone in the execution
of Websense's growth strategy to expand its security product portfolio and
customer base through both internal development and acquisition.

As a result, Websense offers a powerful set of content security solutions that
intelligently protect customers from external malicious attacks and internal
information leaks, delivered as downloadable software, on an appliance, and now
as an on-demand hosted service. With the acquisition of SurfControl, Websense
has doubled its customer base to more than 50,000 organizations worldwide and
now protects content for more than 42 million employees.

The company's products now include a complete set of content protection
solutions, including Web security, e-mail and spam filtering, and information
leak prevention, tailored to meet the specific requirements of small, medium and
enterprise-sized organizations. Over time, Websense plans to enhance
SurfControl's on-demand platform to deliver other hosted content protection
services, such as information leak prevention services and advanced Web security
offerings based on Websense(R) ThreatSeeker(TM) technology.

SurfControl's on-demand platform also bolsters Websense's ability to discover
Internet-based threats. Websense is the technology leader in Web threat
discovery. Websense ThreatSeeker technology scans more than 600 million Web
sites per week identifying and categorizing Web-based security threats.

SurfControl's on-demand platform, which processes more than 350 million emails
per week, gives Websense more visibility into email-based threats such as spam.

The combination of Websense and SurfControl technologies offers unparalleled
Internet threat intelligence spanning both the Web and email.

'Over the last year, Websense dramatically expanded its product portfolio to
offer a full range of content protection software, Web security, messaging
security, and information leak prevention,' said Brian Burke, Program Director,
Security Products and Services, IDC. 'Adding technologies and delivery
platforms in high-growth content security markets provides its customers and

channels with a broader range of security options. It also helps Websense further carve out its unique niche in the broader IT security market.'

'Content is the lifeblood of business, and its value makes it the next battleground in security,' said Gene Hodges, CEO, Websense. 'Only Websense offers customers content protection solutions that combine deep knowledge of the Internet with precise understanding of their information to create powerful policies that govern who can use content, where it can go, and how it can get there. We will leverage these capabilities, as well as our increased scale and international reach, to drive continued innovation in content protection and meet the challenges of a changing threat environment.'

Websense also today announced a five-point pledge to SurfControl customers. Specifically, Websense pledged:

- * support for SurfControl's flagship products - SurfControl(R) Web Filter and Mobile Filter - through 2011
- * enhanced database functionality for SurfControl Web Filter and Mobile Filter by supplementing the SurfControl database with Websense's own comprehensive URL database of more than 30 million Web sites, including more than 200,000 high-risk sites by the first calendar quarter of 2008
- * price protection for the first renewal of current SurfControl Web Filter and Mobile Filter subscriptions
- * continued investment and development in SurfControl E-mail Filter and SurfControl on-demand products, MailControl and WebDefense
- * forums for on-going customer communication, focusing on the quality of support and product direction, including a new integration Web portal for SurfControl customers available on the Internet at www.websense.com/acquisition.

'We hope to prove to SurfControl customers and resellers that Websense is a trustworthy partner with the vision, products, support and services to play an expanded role in their security strategy,' added Hodges. 'After five months of integration planning, we're ready to demonstrate our support for SurfControl customers and resellers and take the next steps to deliver on our vision and strategy.'

The transaction is being financed through a combination of Websense's existing cash resources and a \$210 million term loan under a syndicated senior credit facility arranged for by Morgan Stanley Senior Funding, Inc. and Bank of America NA as syndication agent. The term loan is expected to close on October 11, 2007.

REG-Surfcontrol PLC Rule 2.10 Announcement

RNS Number:5514C
Surfcontrol PLC
21 August 2007

SURFCONTROL PLC ("SurfControl")

Rule 2.10 Disclosure - UPDATE

In accordance with Rule 2.10 of the City Code on Takeovers and Mergers, SurfControl announces that, as at the close of business on 20 August 2007, it had the following securities in issue:

- 28,767,004 ordinary shares of 10 pence each.

The ISIN reference number for these securities is GB0002901790.

Dealing Disclosure Requirements

Under the provisions of Rule 8.3 of the City Code on Takeovers and Mergers ("the "Code"), if any person is, or becomes, "interested" (directly or indirectly) in 1% or more of any class of "relevant securities" of SurfControl, all "dealings" in any "relevant securities" of that company (including by means of an option in respect of, or a derivative referenced to, any such "relevant securities") must be publicly disclosed by no later than 3.30 pm (London time) on the London business day following the date of the relevant transaction. The requirement will continue until the date on which any offer becomes, or is declared, unconditional as to acceptances, lapses or is otherwise withdrawn or on which the "offer period" otherwise ends. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire an "interest" in "relevant securities" of SurfControl, they will be deemed to be a single person for the purpose of Rule 8.3.

Under the provisions of Rule 8.1 of the Code, all "dealings" in "relevant securities" of SurfControl by any offeror or SurfControl, or by any of their respective "associates", must be disclosed by no later than 12.00 noon (London time) on the London business day following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose "relevant securities" "dealings" should be disclosed, and the number of such securities in issue, can be found on the Takeover Panel's website at www.thetakeoverpanel.org.uk

"Interests in securities" arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an "interest" by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Code, which can also be found on the Panel's website. If you are in any doubt as to whether or not you are required to disclose a "dealing" under Rule 8, you should consult the Panel.

The distribution of this announcement in jurisdictions other than the United Kingdom may be restricted by law and therefore persons into whose possession this announcement comes should inform themselves about, and observe such restrictions.

SURFCONTROL PLC ("SurfControl")

Rule 2.10 Disclosure - UPDATE

In accordance with Rule 2.10 of the City Code on Takeovers and Mergers, SurfControl announces that, as at the close of business on 23 August 2007, it had the following securities in issue:

- 28,767,875 ordinary shares of 10 pence each.

The ISIN reference number for these securities is GB0002901790.

Dealing Disclosure Requirements

Under the provisions of Rule 8.3 of the City Code on Takeovers and Mergers ("the Code"), if any person is, or becomes, "interested" (directly or indirectly) in 1% or more of any class of "relevant securities" of SurfControl, all "dealings" in any "relevant securities" of that company (including by means of an option in) respect of, or a derivative referenced to, any such "relevant securities") must be publicly disclosed by no later than 3.30 pm (London time) on the London business day following the date of the relevant transaction. The requirement will continue until the date on which any offer becomes, or is declared, unconditional as to acceptances, lapses or is otherwise withdrawn or on which the "offer period" otherwise ends. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire an "Interest" in "relevant securities" of SurfControl, they will be deemed to be a single person for the purpose of Rule 8.3.

Under the provisions of Rule 8.1 of the Code, all "dealings" in "relevant securities" of SurfControl by any offeror or SurfControl, or by any of their respective "associates", must be disclosed by no later than 12.00 noon (London time) on the London business day following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose "relevant securities" "dealings" should be disclosed, and the number of such securities in issue, can be found on the Takeover Panel's website at www.thetakeoverpanel.org.uk

"Interests in securities" arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an "interest" by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Code, which can also be found on the Panel's website. If you are in any doubt as to whether or not you are required to disclose a "dealing" under Rule 8, you should consult the Panel.

The distribution of this announcement in jurisdictions other than the United Kingdom may be restricted by law and therefore persons into whose possession this announcement comes should inform themselves about, and observe such restrictions.
